

eighty crew members and two civilian oceanographers were captured and held for eleven months by the North Korean government; and

Whereas, This year marks the forty-sixth anniversary of North Korea's attack on the U.S.S. Pueblo and her crew; and

Whereas, The U.S.S. Pueblo is still in commission in the United States Navy but continues to be held by the North Korean government and is currently a museum in Pyongyang, North Korea: Now, therefore, be it

*Resolved by the House of Representatives of the Sixty-ninth General Assembly of the State of Colorado, the Senate concurring herein:*

(1) That we, the members of the General Assembly, recognize the bravery and sacrifice of the crew of the U.S.S. Pueblo; and

(2) That we take pride in the fact that the U.S.S. Pueblo bears the name of a city and a county in Colorado, and, therefore, the citizens of Colorado should be aware of the incident that occurred with the U.S.S. Pueblo forty-six years ago; and

(3) That we continue the call for Kim Jong Un and the North Korean government to return the U.S.S. Pueblo to the people of the United States; and

(4) That we hereby designate January 23 each year as "U.S.S. Pueblo Day" as a day to remember and honor the brave crew of the U.S.S. Pueblo.

#### SENATE MEMORIAL NO. 2

Whereas, equal rights for women are not specifically included in the United States Constitution; and

Whereas, the rights of women in the United States to receive equal pay for equal work, be protected against domestic violence and have fair work-leave policies and access to the reproductive health care services of their choice, among others, are daily being questioned and restricted; and

Whereas, protection of women's rights at present is through a patchwork of existing laws, executive actions and judicial decisions that address individual cases of discrimination one by one as they arise; and

Whereas, each or all of these individual existing laws, executive actions and judicial decisions may be ignored, eroded or overturned; and

Whereas, an Amendment that would guarantee rights for women that are equal to those of men would provide a fundamental legal remedy against all cases of discrimination based on gender; and

Whereas, Resolutions to pass an Amendment to the United States Constitution that would guarantee equal rights for women and men have been introduced into Congress each year since 1923; and

Whereas, thirty-five of the thirty-eight states required for the Amendment to become part of the Constitution ratified the Equal Rights Amendment by the deadline of 1982; and

Whereas, the deadline for ratification is not in the binding text of the document itself and, in fact, was later extended by an

other Congress for an additional three years, thus establishing the precedent that Congress has the power to do so; and

Whereas, in the One Hundred Twelfth Congress, Senate Joint Resolution 39, introduced by Senator Ben Cardin, and House Joint Resolution 47, introduced by Representative Tammy Baldwin, would remove the deadline for ratification of the Amendment so that an additional three States may ratify it; and

Whereas, New Mexicans feel justly proud that New Mexico was one of the first states in the union to ratify the Equal Rights Amendment in 1973, and it passed its own Equal Rights Amendment to the Constitution of New Mexico in 1972: Now, therefore, be it

*Resolved by the Senate of the State of New Mexico,* That it call upon the New Mexico Congressional Delegation in Washington, D.C., to vote in favor of Legislation that would remove the deadline for ratification of the Equal Rights Amendment so that efforts can proceed to get ratification by the necessary additional three states so that, finally, the guarantee of equal rights for women and men in the United States will become the Law of the Land; and be it further

*Resolved,* That copies of this memorial be transmitted to each member of the New Mexico Congressional Delegation and to the Chief Clerks of the House of Representatives and the Senate of the United States Congress.
